VERY GOOD YONTIF by: Leslie Bunder
FILED UNDER DAILY JEWS >> SHOPPING

It's only a few weeks away and ladies, you are probably wondering what you can wear to go to shul during the High Holidays.

You want to be seen on Rosh Hashanah with something a bit different and special. Sure you can dress up with some chic clothes, but what about some jewellery?

Well, Yontifications has glam you can wear depending on the Jewish festival and day of the week.

For shabbat, there's earrings which feature candles, for Purim there's a mask and for Chanukah there's a menorah. And as well as the earrings, there's also a choice of necklaces all featuring a Jewish time of the year theme.

Earrings come in at \$20, while necklaces are \$30.
